Klaus-Peter Behr studied veterinary medicine in Hannover, Germany, until 1984, obtained his doctorate there in 1986 and served as a research assistant at the University of Veterinary Medicine in Hannover until 1992.

From 1992 until 2005 he worked as senior veterinarian and head of laboratory services in an integrated company in the German poultry industry.

For the past 16 years, Klaus-Peter Behr has headed AniCon Labor GmbH, which he founded in 2005, and he also runs companies active in animal disease control.

Klaus-Peter Behr is a specialist veterinarian for poultry and a Diplomate of the European College of Poultry Veterinary Science (ECPVS).

Klaus-Peter Behr also took the initiative to found EMAV and has served as its chairman since 2019.
